PROFESSIONAL SUMMARY

Third-year B.Tech CSE student at VIT Bhopal (CGPA: 8.09) with hands-on experience in JavaScript, Python, and C++. Built a web-based Arduino simulator and an ML-powered crop advisory system. AWS Certified Cloud Practitioner. Seeking an SDE or research internship in systems, open-source development, or machine learning.

EDUCATION

VIT Bhopal University 2023 – 2027
B.Tech in Computer Science and Engineering CGPA: 8.09
Relevant Coursework: Data Structures & Algorithms, OOP, Operating Systems, Probability & Statistics, Linear Algebra

St. Xavier's Sr. Sec. Co-Ed School
Class X & XII

TECHNICAL SKILLS

Languages	Java, Python, C++, JavaScript, SQL
ML / Data	NumPy, Pandas, Scikit-learn
Core Concepts	Data Structures & Algorithms, OOP, Problem Solving
Web	HTML, CSS, JavaScript, Vue.js
Tools & OS	Git, GitHub, LangChain
Cloud	AWS (Certified Cloud Practitioner)

PROJECTS

Web-Based Arduino Simulator

Tech: JavaScript, HTML, CSS, C++

- Simplified browser-based Arduino circuit prototyping by engineering digital and analog I/O simulation logic with auto-wiring in JavaScript, eliminating manual wiring steps for end users.
- Bridged simulation and real hardware deployment by implementing C++ code generation from live circuit state, enabling direct export of outputs to physical Arduino sketches.
- Accelerated contributor onboarding by authoring system-architecture documentation and a step-by-step debugging guide, establishing a reusable reference for future development.

Crop Recommendation and Price Prediction System

Tech: Python, Scikit-learn, HTML, CSS, JavaScript

- Delivered end-to-end crop advisory functionality by integrating Random Forest model predictions into the application pipeline, enabling data-driven recommendations for farmers.
- Improved farmer accessibility to ML insights by designing a responsive visualisation interface that surfaces crop recommendations and price predictions across multiple regions and crop types.

CERTIFICATIONS

- AWS Certified Cloud Practitioner Apr 2026 – Apr 2029
- NPTEL Certification – Machine Learning
- Google AI Essentials – Google Career Certificates
